

DETAILS

MAKE: BURSTNER i696

No 1/78

Buerstner's Visco A-class i696 is on a 2.3litre Fiat Ducato with 130Bhp driver and passenger airbags, cruise control, and cab airconditioning. With 4 berths and 4 3-point belts, the new blue lagoon upholstery looks very well in this motorhome. The rear fixed low bed has a new shape with more legroom at the bottom. The rear bed also has a storage compartment underneath which cannot be accessed externally, more room for storage is available under the bed and can be accessed by lifting up the bed frame or externally. The kitchen is a blend of cream and wood with a 3-burner hob, sink, drainer full sized fridge and separate freezer. A large slide out drawer in the kitchen is fitted with a steel grid to hold detergents, bin etc. while in transit. A large wardrobe is located alongside the washroom and has a slide out clothes rail. The washroom has very good shower space with Perspex doors. The dining area consists of a side-facing lounge and L-lounge with swivel captain seats. This motorhome is very well lit and even has spotlights integrated into the pull down bed. The L-shaped lounge can be altered giving two extra passengers plenty of legroom. **Features: 2 bike rack, cruise control, double floor construction, CD player.**

DIMENSIONS: Length x Width x Height: 698cm x 230cm x 285 Exc. bike rack.
