

DETAILS

MAKE: LAIKA

No: 5/69

This LHD 2006 Laika EcoVip is on a Fiat 2.8 with 6,000Km. It has 6 berths, electric cab with CD player and cab air conditioning. This layout is very versatile with single and double dinettes. The single dinette can convert into a side facing lounge or a single bed, while the double dinette converts into a double bed. There is an L-shaped kitchen to the rear, which allows you to prepare food and not interrupt the flow of traffic to and from the motorhome. The Kitchen has a 3-burner hob with drain, full size oven with grill, full size fridge with separate freezer and a flatscreen slide out TV bracket. The overcab double bed is very wide with plenty of head room. This Laika has a high quality and durable finish with all the mod cons including blown warm air heating and a separate boiler for hot water. The washroom is spacious and bright. **Extras include: Awning, Roof ladder, Status 315 TV Aerial, 3-bike rack, electric entrance step, reversing camera and the habitation door has a bin and flyscreen.**
